

A Rushed Encounter

BY ELLA FREDA

That's a really nice picture.

Thank you, I guess.

Yeah, you can really see the

Pain in your eyes.

Excuse me?

The blank stare.

Okay.

How many tries did

That take? I'd say,

More than ten.

To capture the sorrow.

To frame your fear.

Uh, it's usually just the one.

Fascinating.

Can I have that

Back now? My friends

Are already inside.
